

11th Lower Saxony International Summer Academy in Immunology

28 August - 16 September 2022

Registration Deadline: 30th April

Inflammation, regeneration and immunity Basic aspects, novel approaches and experimental models

Deutscher Akademischer Austauschdienst
German Academic Exchange Service

• Workshop topics

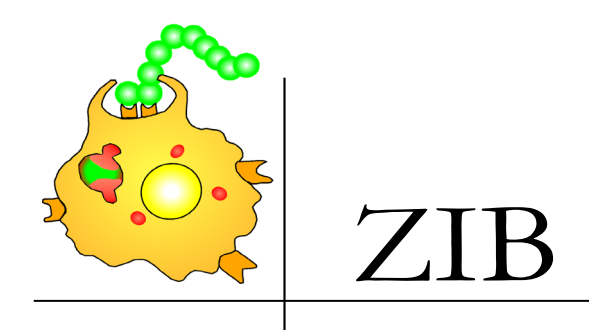

Pattern recognition receptors and dendritic cells
Lung inflammation, asthma and allergy
Regeneration & hematopoietic progenitors
Homeostasis and inflammation in the intestine
Immunity, inflammation and cancer
Tregs, Th17, gamma delta T cells, autoimmunity

• Faculty

TWINCORE Ulrich Kalinke, Thomas Pietschmann
MHH Georg Behrens, André Bleich, Berislav Bosnjak, Christine Falk, Niko Föger, Reinhold Förster, Guntram Grassl, Jenny Kühne, Susanne Kruse, Kyeong-Hee Lee, Matthias Lochner, Michael P. Manns, Ulrich Martin, Sarina Ravens, Axel Schambach, Dirk Schlüter, Meike Stiesch, Burkhard Tümmler, Abel Viejo Borbolla, Thomas Werfel
ITEM Armin Braun
HZI Luka Cicin-Sain, Carlos Guzman, Till Strowig, Yang Li

• Who can apply?

The workshop will provide top-level training for young students of biosciences & medicine (Bachelor / Master degree) who plan to pursue a Ph.D. in immunology.
Includes one week of lectures and up to two weeks of hands-on training (lab rotation). Participation is limited to 40 young researchers. Travel grants are available for all international students.

Complete immunization against COVID-19 (vaccination or recovery) is mandatory for registration and participation!

The Summer Academy will take place in accordance to the current regulations of the federal state of Lower Saxony at the date of the event. Please inform yourself about possible travel restrictions or quarantine requirements for Germany.
