

## LISA Summer Academy, August/September 2026

<b>Labs</b>
<p><b>Institute of Immunology (Bosnjak)</b>  <a href="https://pubmed.ncbi.nlm.nih.gov/?term=bosnjak+b+hannover&amp;sort=date">https://pubmed.ncbi.nlm.nih.gov/?term=bosnjak+b+hannover&amp;sort=date</a></p>
<p><b>Institute of Immunology (Ravens)</b>  <a href="https://www.mhh.de/en/institute-of-immunology/ravens-group">https://www.mhh.de/en/institute-of-immunology/ravens-group</a></p>
<p><b>Institute of Virology (Viejo-Borbolla)</b>  <a href="https://www.mhh.de/virologie/forschung/viejo-borbolla-lab">https://www.mhh.de/virologie/forschung/viejo-borbolla-lab</a></p>
<p><b>Institute of Virology (Depledge)</b>  <a href="https://www.mhh.de/virologie/forschung/depledge-lab">https://www.mhh.de/virologie/forschung/depledge-lab</a></p>
<p><b>Leibniz Research Labs for Biotechnology and artificial organs (Martin)</b>  <a href="https://www.mhh.de/en/lebao/research-groups/rg-martin">https://www.mhh.de/en/lebao/research-groups/rg-martin</a></p>
<p><b>Institute of Transfusion Medicine (Eiz-Vesper)</b>  <a href="https://www.mhh.de/itt/team/eiz-vesper">https://www.mhh.de/itt/team/eiz-vesper</a></p>
<p><b>Fraunhofer Institute (Braun/Bargmann)</b>  <a href="https://www.mhh.de/en/institute-of-immunology/braun-group">https://www.mhh.de/en/institute-of-immunology/braun-group</a></p>
<p><b>Institute of Experimental Infection Research, Twincore (Kalinke)</b>  <a href="https://www.twincore.de/en/research-groups/experimental-infection-research/">https://www.twincore.de/en/research-groups/experimental-infection-research/</a></p>
<p><b>Institute for Viral Immunology at HZI Braunschweig (Cicin-Sain)</b>  <a href="https://www.helmholtz-hzi.de/en/persons/prof-dr-luka-cicin-sain/">https://www.helmholtz-hzi.de/en/persons/prof-dr-luka-cicin-sain/</a></p>
<p><b>Institute of Virology (Lochner)</b>  <a href="https://www.mhh.de/en/institute-for-medical-mikcobiology-and-hospital-epidemiology/work-group-lochner">https://www.mhh.de/en/institute-for-medical-mikcobiology-and-hospital-epidemiology/work-group-lochner</a></p>
<p><b>Department of Pediatric Pulmonology, Allergology and Neonatology (Dittrich/Munder/Lachmann)</b>  <a href="https://www.mhh.de/en/children-pneumology-allergology-and-neonatology/research/inflammatory-lung-diseases-in-childhood-pd-dr-dittrich">https://www.mhh.de/en/children-pneumology-allergology-and-neonatology/research/inflammatory-lung-diseases-in-childhood-pd-dr-dittrich</a>  <a href="https://www.mhh.de/en/children-pneumology-allergology-and-neonatology/research/molecular-pathology-of-cystic-fibrosis-prof-tuemmler">https://www.mhh.de/en/children-pneumology-allergology-and-neonatology/research/molecular-pathology-of-cystic-fibrosis-prof-tuemmler</a>  <a href="https://www.mhh.de/en/presse/mhh-insight/news-detailed-view/using-immune-cells-to-develop-new-active-substances-and-improve-the-efficacy-and-safety-of-drugs">https://www.mhh.de/en/presse/mhh-insight/news-detailed-view/using-immune-cells-to-develop-new-active-substances-and-improve-the-efficacy-and-safety-of-drugs</a></p>
<p><b>Institute of Medical Microbiology (Guntram Graßl)</b>  <a href="https://www.mhh.de/en/institute-for-medical-mikcobiology-and-hospital-epidemiology/work-group-grassl">https://www.mhh.de/en/institute-for-medical-mikcobiology-and-hospital-epidemiology/work-group-grassl</a></p>
<p><b>Institute of Inflammation Research (Lee/Föger)</b>  <a href="https://www.mhh.de/en/institute-zentren-forschungseinrichtungen/institut-fuer-klinische-chemie/forschung/inflammation-research">https://www.mhh.de/en/institute-zentren-forschungseinrichtungen/institut-fuer-klinische-chemie/forschung/inflammation-research</a></p>

**Gastroenterology (Tetyana Yevsa)**

<https://www.mhh.de/ghie/forschung-lehre/arbeitsgruppen/ag-yevsa>

**Institute of Human Genetics (di Donato/ Indra Niehaus)**
