## **GSP eLearning Exceptions**

(as of 01.01.2021)

According to the latest amendment of the MHH doctorate regulations, GSP-eLearning certificates are acknowledged, if the doctorate was officially registered with the *Promotionsbüro* **before January 1<sup>st</sup>, 2021, exclusively.**

Exceptions are possible e.g. if the doctorate student and the supervisor confirm in writing that data collection and analysis of the thesis were completed before January 1st, 2021. The written request for exception (please, use official letter head) must be presented to the Ombuds Office for approval as PDF by E-Mail to [ombudsstelle@mh-hannover.de](mailto:ombudsstelle@mh-hannover.de) **prior to** the submission of the thesis. The Ombuds Office can request e.g. the lab book for proof. In the event that the reasons justify an exception, the Ombuds Office will issue a certificate that must be submitted with the GSP-eLearning certificate.
